

Built for Title. Powered by Connection.

Grow Beyond Your Geographic Footprint.

Zynova gives independent title agents a structured, compliance-focused way to send, receive, and manage workshare transactions across state lines.

Send orders
nationwide

Receive
reciprocal
workshare

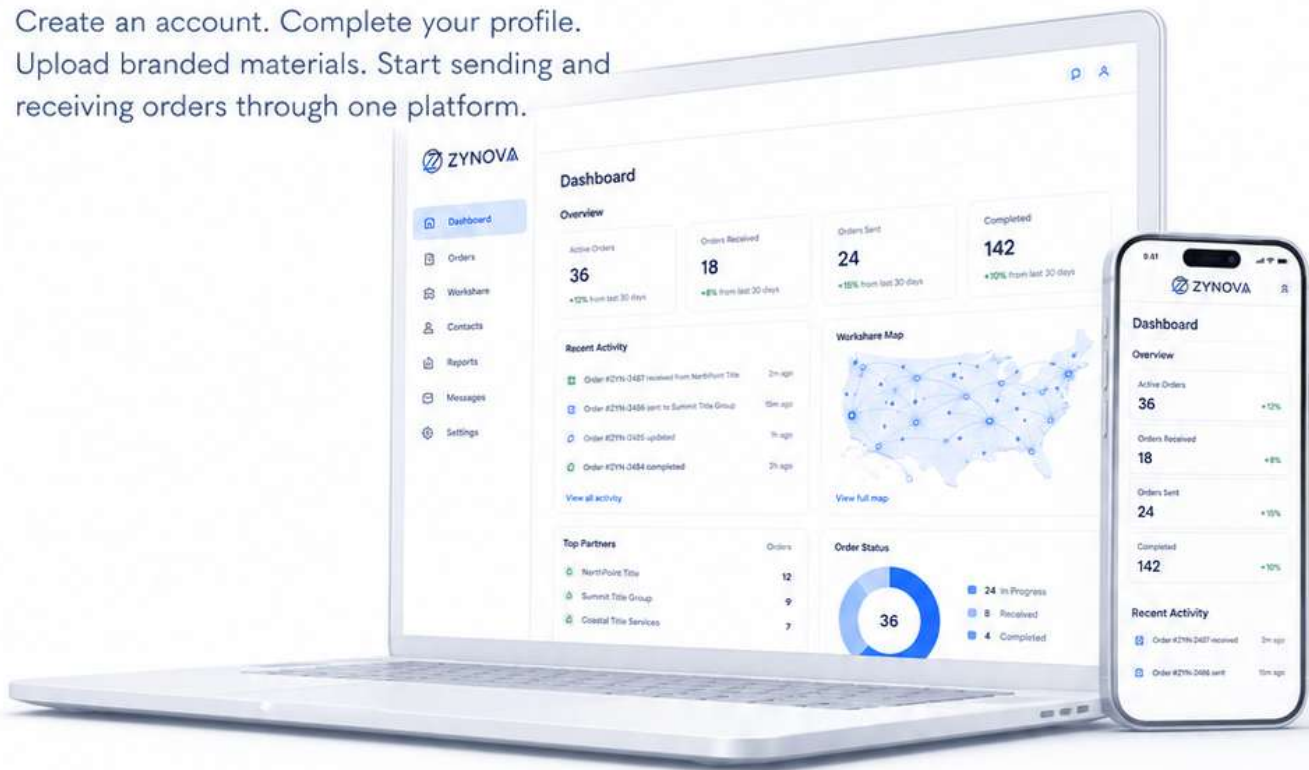

Manage it in
one platform

zynova.ai

Simple to Start. Simple to Scale.

Create an account. Complete your profile.
Upload branded materials. Start sending and
receiving orders through one platform.

1 Create Account

Open your account
in minutes.

2 Complete Profile

Add company details
and service footprint.

3 Upload Brand Assets

Keep the customer
experience aligned to
your identity.

4 Send, Receive & Track

Manage workshare
activity in one place.

Consistent branding. Transparent workflows. Organized accountability.

More Opportunity. Less Friction.

Protect customer relationships, participate in reciprocal workshare, and grow transaction volume through a national network built around simplicity, transparency, and compliance.

Protect Customer Relationships

Keep your client connection while expanding beyond your market.

Create New Business Opportunities
